FILM #2 · #1 STREAMER OVERNIGHT · Storyboard v4 · Shots 21–30

Status: Section 2 batch 21–30 · 21, 22, 29 approved · 23–28 and 30 re-rolled (7.00 credits) · 25, 26, 30 miss spec, awaiting your call

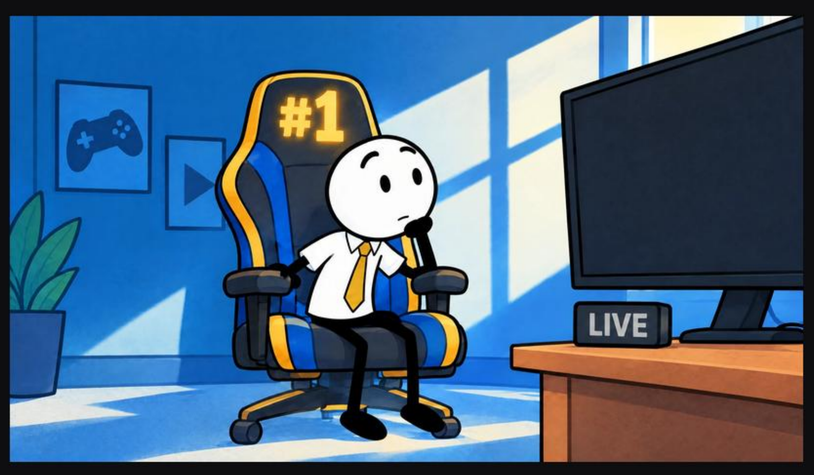

All script lines and durations verbatim from your VO-028–039 list. Shot 31 (VO-040 assembly push-in on 30) rebuilt, provisional.

SHOT 21 · VO-028–029

“Before we get into those 3 hidden truths — let’s pause for a second.”

APPROVED as-is (WebP copy supplied by you). 4.49 s

SHOT 22 · VO-030

“And understand what actually just happened to you last night.”

APPROVED as-is (WebP copy supplied by you). 3.47 s

SHOT 23 · VO-031–032

“There are more than six million people who have pressed that same button you pressed. Six million.”

RE-ROLLED. Flat grid of stream windows, ~9 lit, dark empty chat columns. Spec met. 5.59 s

SHOT 24 · VO-033

“Most of them stream to an empty room — the same empty room you streamed to yesterday.”

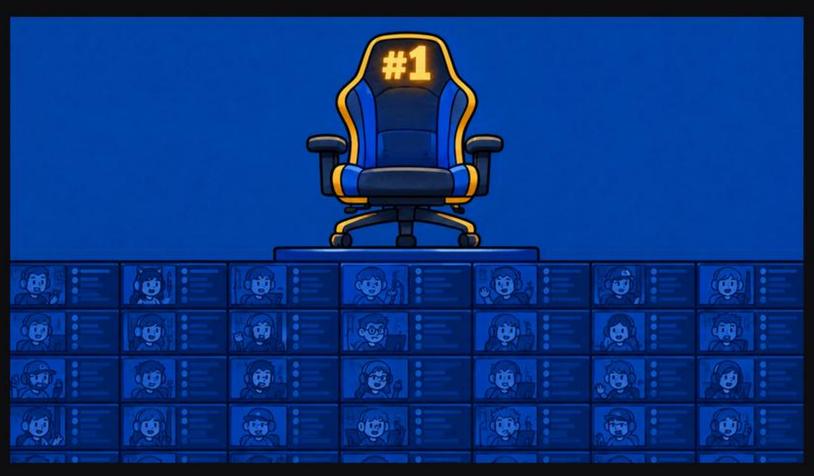

RE-ROLLED. Generic silhouette streamer, completely empty chat column. Spec met. 5.15 s

SHOT 25 · VO-034

“Out of all six million, only about eighty thousand become an official partner.”

RE-ROLLED — MISSES SPEC: ~1 gold tile in 14 (spec 1 in 50), scattered not clustered. Awaiting your call. 5.41 s

SHOT 26 · VO-035

“And above all of them, there is one chair.”

RE-ROLLED — PARTIAL MISS: sea fills ~45% (spec 2/3); tiles show chat lines. Chair, #1, platform OK. 3.00 s

SHOT 27 · VO-036

“This morning, that chair became yours.”

RE-ROLLED. Old chair by plant, he settles into #1 chair, LIVE off. Desk not exact to shot 9 (monitor cropped). 2.77 s

SHOT 28 · VO-037

“You open your dashboard in shock — you can’t believe what you see.”

RE-ROLLED. Shock face, hands on desk, person icon / counter / graph. Digits blurred but faintly legible. 3.55 s

SHOT 29 · VO-038

“Yesterday, that screen had almost nothing to say.”

APPROVED as-is (WebP copy supplied by you). Eye icon + “2”, dull red LIVE. 4.28 s

SHOT 30 · VO-039

“This morning, the number will not sit still.”

RE-ROLLED — MISSES SPEC: digits read “113” (must be unreadable). Assembly 31 (VO-040, “Every time you look, it goes higher.”) is provisional on this. 3.55 s
