

How to Upload Your Video to YouTube

Video: Why Is a Costco Hot Dog Only \$1.50? · **Channel:** The Business Stick (@TheBusinessStickHQ)

Have these 3 things ready on your computer:

- 🎬 **The video:** `costco-hot-dog-final.mp4` (the file you rebuilt from the 21 pieces)
- 🖼️ **The thumbnail:** `warehouse-still150-v2.jpg`
- 📄 **The upload kit:** open **YouTube-Upload-Kit.pdf** so you can copy from it

Step 1: Start the upload

1. ☐ Go to **studio.youtube.com** on your computer.
2. ☐ Click **Create** (top right, the camera with a +), then **Upload videos**.
3. ☐ Click **Select files**, pick `costco-hot-dog-final.mp4`, and click **Open**.
4. ☐ It starts uploading. Keep the page open while you fill in the rest.

Step 2: Details (first page)

1. ☐ **Title:** `Why Is a Costco Hot Dog Only $1.50?`
2. ☐ **Description:** copy everything under "Description" in the upload kit (intro, chapters and sources) and paste it in. The chapters (starting with "0:00 The \$1.50 paradox") create clickable sections.
3. ☐ **Thumbnail:** click **Upload thumbnail** and pick `warehouse-still150-v2.jpg`. If you see **Test & compare**, you can add a second thumbnail there instead.
4. ☐ **Playlist:** skip for now.
5. ☐ **Audience:** choose **"No, it's not made for kids."**
6. ☐ Click **Show more** and fill in:
 - **Tags:** paste the tags from the upload kit
 - **Altered content:** choose **No** (stickman cartoons don't look like real people or events)
 - **Category:** Education

7. ☐ Click **Next**.

Step 3: Video elements (second page)

1. ☐ **End screen:** click **Add**, choose a template with **one video + subscribe**, set the video to **Best for viewer**, and drag the video box to the **right side** where the mascot points. Click **Save**.
2. ☐ **Cards:** skip.
3. ☐ Click **Next**.

Step 4: Checks

1. ☐ Wait until YouTube says "**No issues found.**"
2. ☐ Click **Next**.

Step 5: Visibility

1. ☐ Choose **Public**, or **Schedule** to pick a time (late afternoon or evening in your time zone works well).
2. ☐ Click **Publish** (or **Schedule**).

Step 6: After it's live

1. ☐ **Pin a comment:** comment "*Would you still buy it at \$2?* 📌" under your video, then click ⋮ on your comment → **Pin**.
2. ☐ **A few hours later:** post the day-0 clip ("I will kill you") on TikTok, Instagram Reels and YouTube Shorts. On Shorts, set **Related video** to this full video.
3. ☐ **Reply to comments** during the first day.

About ads: you can't turn ads on until YouTube accepts your channel into its Partner Program. When you get there, open the video's **Earn / Monetization** tab and set mid-roll ads to **automatic**.

If something on your screen looks different from these steps, YouTube may have moved a button. Look for a word close to the one here.
