“Your days off can cost you forty thousand people.”

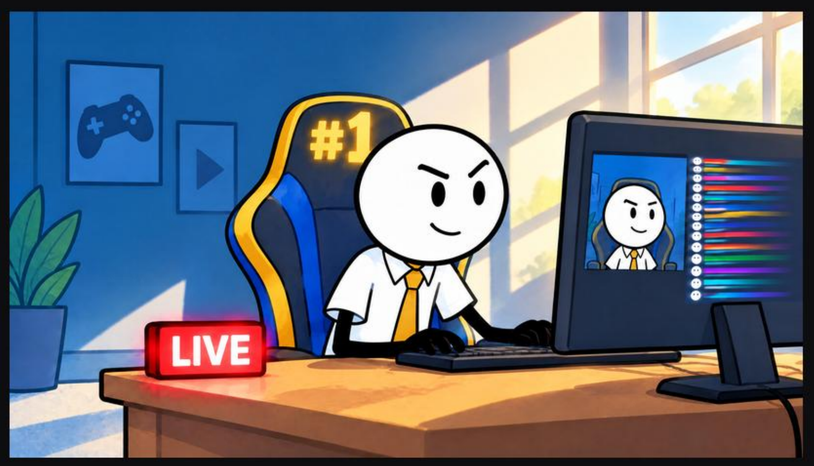

A plain challenger stickman (NO tie, hungry) grips the arm of the #1 chair and pulls; the business stickman turns toward him, startled. Text: none (#1 on chair = prop).

“And six million streamers are pressing that same button, coming for your chair. That is the business of being number one.”

The endless sea of plain streamers at little desks to the horizon, every face turned toward the glowing #1 chair at the top. Text: none (#1 on chair).
