“So that is what it really means — to become the #1 streamer overnight. You went to sleep as nobody.”

Callback to yesterday: the locked room DIM at morning, the plain SMALL chair (not the #1 chair), him just woken, small in frame, looking at the little chair. Text: none.

SHOT 113 · VO-179 · 3.5s

“And you woke up as the biggest show on Earth.”

Morning: him AWAKE in the giant #1 chair (regenerated for the new line), eyes open, crown on his head, bright morning light; STREAM screen with his awake face as preview. LIVE bright. Text: none (#1 / LIVE props only).

SHOT 114 · VO-180–181 · 3.4s

“The money is real. Millions from the subscribers.”

Gold coins piling up on the desk, spilling toward the #1 chair where he sits watching them land. No monitor in frame. Text: none.

SHOT 115 · VO-182–183 · 7.4s

“Even more from the brands standing behind them. Tens of millions possibly from the platforms fighting to hold you.”

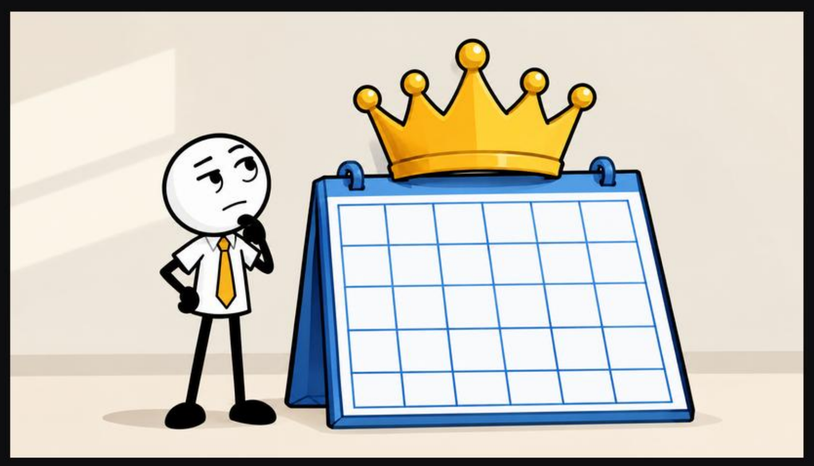

Him centered in the #1 chair; plain suited company stickmen and platform spotlights lean IN with packages and envelopes, a crowd behind. Everyone paying to be close. Text: none.

SHOT 116 · VO-184–185 · 3.5s

“The power is real. Yesterday, nobody answered you.”

He stands tall holding the CROWN HIGH in both hands, warm golden one-night glow, no wind, no strain. Text: none.

SHOT 117 · VO-186–187 · 6.6s

“Today, the whole world knocks on your door — politely. But the catch is also just as real.”

Reprise of 108: the crown resting on top of a full one-month calendar grid (blank, 30 squares); him small beside it, looking at it. Text: none.
