# RESTAURANT FEE STACK — STORYBOARD (v2: short sleeves, Shot 8 receipt)

**SHOT 1 · RF-01**
You ordered a $16 burger.

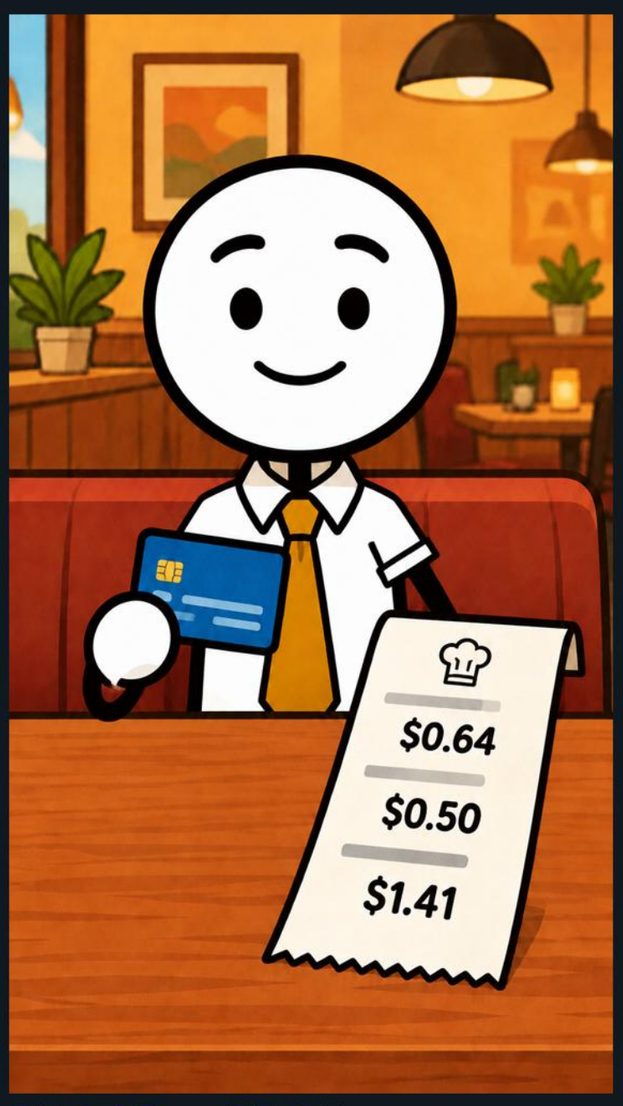

**SHOT 2 · RF-02**
The menu said $16. You saw it. You agreed to it.

**SHOT 3 · RF-03**
But the receipt in your hand says $23.19.

**SHOT 4 · RF-04**
First, a kitchen fee you never agreed to — 4%, just for cooking it.

**SHOT 5 · RF-05**
You pay by card, so a 3% card fee stacks on. Then the tax lands on top.

**SHOT 6 · RF-06**
Then the screen turns around — and its tip buttons did the math on everything. The tax. The fees. All of it.

**SHOT 7 · RF-07**
You tapped the 25% button. You just tipped on everything — not just the burger.

**SHOT 8 · RF-08**
Nobody added a thing to your plate — but the bill kept growing after…
